I. INFORMATION AND PROCEDURES

RESOLUTIONS CONTAINED IN THIS PACKET. The League bylaws provide that resolutions shall be referred by the president to an appropriate policy committee for review and recommendation. Resolutions with committee recommendations shall then be referred to the General Resolutions Committee at the Annual Conference.

This year, two resolutions have been introduced for consideration by the Annual Conference. One, a bylaws amendment, has been referred to the Administrative Services Policy Committee, the other has been referred to the League's Community Services Policy Committee.

BOTH POLICY COMMITTEES will meet at the Annual Conference on Friday, September 17, 2004, 9:00 a.m. – 10:00 a.m., at the Long Beach Convention Center. The sponsors of both resolutions were notified of the time and location of the meeting.

After resolutions are reviewed, recommendations will be made to the General Resolutions Committee.

THE GENERAL RESOLUTIONS COMMITTEE will meet at 1:30 p.m., on Saturday, September 18, 2004, at the Long Beach Convention Center, to consider the reports of both policy committees. This committee includes one representative from each of the League's regional divisions, functional departments, and standing policy committees, as well as additional city officials appointed by the League president.

THE GENERAL ASSEMBLY will convene at 9:30 a.m. on Sunday, September 19, during the Annual Business Meeting in the Long Beach Convention Center to consider the report of the General Resolutions Committee.

Resolutions considered by the General Assembly will retain the numbers assigned to them in this document.

INITIATIVE RESOLUTIONS. For those issues that develop **after** the normal 60-day deadline, a resolution may be introduced with a petition signed by designated voting delegates of 10 percent of all member cities (48 valid signatures required) and presented to the Voting Delegates Desk no later than 24 hours prior to the time set for convening the Annual Business Session of the General Assembly. This year, the **deadline** is **9:30 a.m., Saturday, September 18**. If the parliamentarian finds that a petitioned resolution is substantially similar in substance to a resolution already under consideration, the petitioned resolution will be disqualified.

Resolutions can be viewed on the League's website: www.cacities.org/2004resolutions.

Any questions concerning the resolutions procedure should be directed to Linda Welch Hicks in the Sacramento League office at lhicks@cacities.org or (916) 658-8224.

II. GUIDELINES FOR ANNUAL CONFERENCE RESOLUTIONS

Policy development is a vital and ongoing process within the League. The principal means for deciding policy on the important issues facing cities and the League is through the standing policy committees and the board of directors. The process allows for timely consideration of issues in a changing environment and assures city officials the opportunity to both initiate and influence policy decisions.

This influence may be exercised directly through participation as a policy committee member or as a city official visiting a committee meeting to advance a position on an issue under the committee's purview. If committee membership or personal attendance is not feasible, city officials may affect policy decisions indirectly through department or division representatives on the policy committees or the board of directors.

Annual conference resolutions constitute an additional process for developing League policies. It is recommended that resolutions adhere to the following criteria.

Guidelines for Annual Conference Resolutions

1. Only issues that have a direct bearing on municipal affairs should be considered or adopted at the Annual Conference.
2. The issue is not of a purely local or regional concern.
3. The recommended policy should not simply restate existing League policy.
4. The resolution should be directed at achieving one of the following objectives:
 - (a) Focus public or media attention on an issue of major importance to cities.
 - (b) Establish a new direction for League policy by establishing general principals around which more detailed policies may be developed by policy committees and the Board of Directors.
 - (c) Consider important issues not adequately addressed by the policy committees and Board of Directors.
 - (d) Amend the League bylaws.

[Procedural Note: Resolutions that are approved by the General Resolutions Committee, as well as all qualified petitioned resolutions, are reported to the floor of the General Assembly. At the 1998 Annual Conference, the League General Assembly approved Resolution #2, which established a procedure to give the General Assembly the additional opportunity to consider any resolutions approved by League policy committees but *not* approved by the General Resolutions Committee.

Following the adoption of Resolution #2-1998, League policy now provides that: Every resolution initially recommended for approval and adoption by all the League policy committees to which the resolution is assigned, but subsequently recommended for disapproval, referral or no action by the General Resolutions Committee, shall then be placed on a consent agenda for consideration by the General Assembly. The consent agenda shall include a brief description of the bases for the recommendations by both the policy committee(s) and General Resolutions Committee, as well as the recommended action by each. Any voting delegate may make a motion to pull a resolution from the consent agenda in order to request the opportunity to fully debate the resolution. If, upon a majority vote of the General Assembly, the request for debate is approved, the General Assembly shall have the opportunity to debate and subsequently vote on the resolution.]

Section 2: Self-Dealing and Common Directorship Transactions.³³

(a) Self-Dealing Transactions. A self-dealing transaction is a transaction to which the League is a party and in which one or more of its directors has a material financial interest.

(b)c Pre-Transaction Approval. To approve a transaction involving either self-dealing or a common directorship, the League Board shall determine, before the transaction, that,

- (i) The League is entering into the transaction for its own benefit;
- (ii) The transaction is fair and reasonable to the League at the time; and
- (iii) After reasonable investigation, the League Board determines that it could not have obtained a more advantageous arrangement with reasonable effort under the circumstances.

Such determinations shall be made by the League Board in good faith, with knowledge of the material facts concerning the transaction and the director's interest in the transaction, without counting the vote of the interested director or directors.

³² Section 7235 of the Corporations Code provides:

(a) Unless prohibited by the articles or bylaws, a corporation may loan money or property to, or guarantee the obligation of, any director or officer of the corporation or of its parent, affiliate or subsidiary, provided:

(1) The board determines the loan or guaranty may reasonably be expected to benefit the corporation.

(2) Prior to consummating the transaction or any part thereof, the loan or guaranty is either:

(A) Approved by the members (Section 5034), without counting the vote of the director or officer, if a member, or

(B) Approved by the vote of a majority of the directors then in office, without counting the vote of the director who is to receive the loan or the benefit of the guaranty.

(b) Notwithstanding subdivision (a), a corporation may advance money to a director or officer of the corporation or of its parent, affiliate or subsidiary, for any expenses reasonably anticipated to be incurred in the performance of the duties of the director or officer of the corporation or of its parent, affiliate or subsidiary, provided that in the absence of such an advance the director or officer would be entitled to be reimbursed for these expenses by the corporation, its parent, affiliate, or subsidiary.

(c) The provisions of subdivisions (a) and (b) do not apply to credit unions, or to the payment of premiums in whole or in part by a corporation on a life insurance policy on the life of a director or officer so long as repayment to the corporation of the amount paid by it is secured by the proceeds of the policy and its cash surrender value, or to loans permitted under any statute regulating any special class of corporations.

³³ See generally Cal. Corp. Code § 7233 (establishing these requirements). Note that interested or common directors may be counted in determining the existence of a quorum in a board or committee meeting that approves such transactions. See Cal. Corp. Code § 7234.

Article XIV: (Prohibited Transactions), continued

(d) **Post-Transaction Approval.** When it is not reasonably practicable to obtain Board approval before entering into such transactions, a Board committee may approve such transaction in a manner consistent with the requirements in the preceding paragraph, provided that, at its next meeting, the full Board determines in good faith that the League Board committee's approval of the transaction was consistent with such requirements and that it was not reasonably practical to obtain advance approval by the full Board, and ratifies the transaction by a majority of the directors then in office without the vote of any interested director.³⁴

Article XV: Miscellaneous

Section 1: Indemnification.

(a) **Indemnity Authorized.** To the extent allowed by California Nonprofit Corporation Law,³⁵ the League may indemnify and advance expenses to its agents in connection with any proceeding, and in accordance with that law. For purposes of this section, "agent" includes directors, officers, employees, other League agents, and persons formerly occupying these positions.³⁶

(b) **Approval of Indemnity.** An individual seeking indemnification shall make a written request to the League Board in each case.

(i) **Success on the Merits.** To the extent that the individual has been successful on the merits, the League Board will promptly authorize indemnification in accordance with California Nonprofit Corporation Law.³⁷

(ii) **Other Instances.** Otherwise, the League Board shall promptly determine, by a vote of a majority of a quorum consisting of directors who are not parties to the proceeding, whether, in the specific case, the agent has met the applicable standard of conduct under California law,³⁸ and, if so, will authorize indemnification to the extent permitted.

³⁴ See Cal. Corp. Code § 7233 (specifying under what circumstances a self-dealing transaction is void or voidable).

³⁵ The scope of indemnity for mutual benefit corporations is governed by Corporations Code section 7237, which is excerpted in the footnotes below.

³⁶ Section 7237(a) provides in pertinent part:

For the purposes of this section, "agent" means any person who is or was a director, officer, employee or other agent of the corporation, or is or was serving at the request of the corporation as a director, officer, employee or agent of another foreign or domestic corporation, partnership, joint venture, trust or other enterprise, or was a director, officer, employee or agent of a foreign or domestic corporation which was a predecessor corporation of the corporation or of another enterprise at the request of such predecessor corporation . . .

See Cal. Corp. Code § 7237(a).

³⁷ Section 7237(d) provides

To the extent that an agent of a corporation has been successful on the merits in defense of any proceeding referred to in subdivision (b) or (c) or in defense of any claim, issue or matter therein, the agent shall be indemnified against expenses actually and reasonably incurred by the agent in connection therewith.

See Cal. Corp. Code § 7237(d).

³⁸ These standards are largely contained in section 7237(b) or section 7237(c), which provide:

(b) A corporation shall have power to indemnify any person . . . if such person acted in good faith and in a manner such person reasonably believed to be in the best interests of the corporation and, in the case of a criminal proceeding, had no reasonable cause to believe the conduct of such person was unlawful . . .

Article XV (Miscellaneous), continued

(c) Advancing Expenses. To the extent allowed by under California Nonprofit Corporation Law,³⁹ the League Board may authorize an advance of expenses incurred by or on behalf of an agent of this corporation in defending any proceeding prior to final disposition. The League Board shall find that

(i) the requested advances are reasonable; and

(ii) before any advance is made, the agent will submit a written undertaking satisfactory to the League Board to repay the advance unless it is ultimately determined that the agent is entitled to indemnification for the expenses under this section.

Section 2: Insurance.⁴⁰ The League Board may authorize the purchase of insurance on behalf of any agent against any liability asserted against or incurred by the agent in such capacity or arising out of the agent's status as such, and such insurance may provide for coverage against liabilities beyond the League's corporation's authority to indemnify an agent under law.

Section 3: Contracts and Execution of Instruments. All contracts entered into on behalf of the League shall be authorized by the League Board, or by the person or persons upon whom the League Board confers such power from time to time. Except as otherwise provided by law, every check, draft, promissory note, money order, or other evidence of indebtedness of the League shall be signed by the persons authorized to do so by the League Board.

Section 4: Disposition of Assets Upon Dissolution.⁴¹ The League's properties and assets are irrevocably dedicated to the fulfillment of the League's purposes as described in Article II. No part of the League's net earnings, properties and assets, on dissolution or otherwise, may inure to the benefit of any private person. On liquidation or dissolution, the League's net assets shall be distributed to the League's Member Cities consistent with the provisions of the California Nonprofit Corporations Law relating to mutual benefit corporations then in effect.

Section 5: Parliamentary Authority. Subject to the provisions of these bylaws, Robert's Rules of Order or such other parliamentary rules as may be adopted by the League Board shall prevail at all meetings of the League, the League Board, and in all functional departments and regional divisions.

(c) A corporation shall have power to indemnify any person . . . if such person acted in good faith, in a manner such person believed to be in the best interests of the corporation and with such care, including reasonable inquiry, as an ordinarily prudent person in a like position would use under similar circumstances . . .

See Cal. Corp. Code § 7237(b) and (c) (with exceptions).

³⁹ Section 7237(a) provides in pertinent part:

... "expenses" includes without limitation attorneys' fees and any expenses of establishing a right to indemnification under subdivision (d) or paragraph (3) of subdivision (e).

See Cal. Corp. Code § 7237(a).

⁴⁰ See also Cal. Corp. Code § 7237(i) (authorizing insurance).

⁴¹ This section reinforces the League's status as a mutual benefit corporation and protects cities' interests in their investment in the League's headquarters building. See also Cal. Corp. Code § 8717 (assets upon dissolution must be distributed according to bylaws).

Article XV (Miscellaneous), continued

Section 6: Seal. The League Board has provided a suitable seal for the League which is circular and which contains the following inscription:

"LEAGUE OF CALIFORNIA CITIES
INCORPORATED NOVEMBER 4, 1932, CALIFORNIA"

The seal may be affixed to corporate instruments, but any failure to affix it does not affect the instrument's validity.

Section 7: Governing Law. In all matters not specified in these bylaws, or in the event these bylaws are inconsistent with applicable law, the provisions of California Nonprofit Corporation Law then in effect apply.

Section 8. Litigation Authority. Member Cities authorize the League to initiate or respond to litigation on their collective behalf when the League Board determines such litigation is necessary to protect Member Cities' shared vital interests.

Article XVI: Amendments

Section 1: Consideration. These bylaws may be amended by the League's General Assembly (see Article XVI, section 5 for procedures) or by a mail ballot to Member Cities (see Article XI, section 5 for procedures).

Section 2: Vote Threshold. A two-thirds vote of approval of those voting is necessary to amend these bylaws.

Section 3: Who May Propose. Amendments may be proposed by the League Board or by petition of ten percent of Member Cities. The proponent may specify whether the amendment is to be considered at the General Assembly or by mail ballot.

Section 4: Board Review. Any amendment proposed by petition shall be submitted to the League Board in writing for its review. The League Board's recommendation and reasons following its review shall accompany all materials relating to the proposed amendment.

Section 5: Procedure for Consideration by General Assembly.

(a) **Notice.** The meeting notice required by Article V, section 4 for League meetings shall include notice of any proposal to amend the League's bylaws, along with the subject of the proposed amendment(s).

(b) **Consideration by General Assembly.** The proposed amendment, along with any action by the League Board pursuant to section 4 of this Article, shall be considered by the General Assembly along with any resolutions presented pursuant to Article VI.

Section 6: Effective Date. After approval, amendments go into effect after the expiration of the protest period (see Article XVI, section 7) unless otherwise specified in the amendment.

Article XVI: Amendments), continued

Section 7: Protest and Suspension until Next Conference. If, within sixty days after the adoption of any amendment, one-third or more of the Member Cities submit a written protest against such amendment, the amendment is automatically suspended until the next Annual Conference, when it may be taken up again for reconsideration and vote.

Article XVII: Establishment and Financing of Grassroots Network

Section 1: Enhancement of Advocacy Efforts.

To enhance the League's advocacy efforts on behalf of cities, the League hereby establishes a Grassroots Network. The Grassroots Network consists of a series of field offices throughout California, responsible for coordinating city advocacy efforts and promoting statewide League policy priorities.

Section 2: Dues Increase

(a) Initial Financing. The dues increase approved concurrently with the addition of this article shall finance the League's Grassroots Network for the second half of 2001 and for 2002. The increase shall be used exclusively to finance the Grassroots Network.

(b) Continued Financing. Any subsequent dues increases shall occur in accordance with Article IV.

Section 3: Accountability

(a) Annual Goal-Setting and Performance Assessment. The League Board shall set long-term goals and annual objectives for the League's Grassroots Network. The League Board shall periodically report to the League's Member Cities on the Grassroots Network's performance in meeting those goals and objectives.

(b) Board Discontinuance. If at any time the League Board finds the Grassroots Network is not meeting its objectives on behalf of cities, the League Board may discontinue the Grassroots Network.

(c) Membership Vote on Program Continuation. On or before December 31, 2007, Member Cities shall vote (see Article XI, section 5 for procedures) on whether to continue the Grassroots Network beyond December 31, 2008.

BACKGROUND INFORMATION ON RESOLUTION NO. 1

SOURCE: LEAGUE BOARD OF DIRECTORS

TITLE: RESOLUTION AMENDING BYLAWS OF THE LEAGUE OF CALIFORNIA CITIES.

Background

This is a set of proposed revisions to the League's bylaws. The League's bylaws are the set of rules by which the League governs itself as a California nonprofit corporation.

Process

These proposed changes are the result of the following process. In February, the League Board President appointed a committee of the following Board Members to review and update the League's bylaws.

- Audra Gibson, Mayor, City of Mount Shasta (committee chair)
- Mike Segala, Vice Mayor, Suisun City
- Paul Luellig, City Council Member, Barstow
- Helen Kawagoe, City Clerk, Carson

The committee met several times via conference call and the League Board reviewed the proposed changes and provided initial input at its April meeting.

The Administrative Services Policy Committee then reviewed the changes at its June meeting. Feedback from committee members was shared with the League Board at its July meeting. The League Board approved the final version of the proposed amendments for the membership's consideration at the July meeting.

The Administrative Services Policy Committee will review this version of the proposed amendments and make a recommendation to the General Resolutions Committee at its September meeting at the Conference. The amendments, along with the General Resolutions Committee recommendation, will then be presented to the membership at the General Assembly.

A two-thirds vote of those voting at the General Assembly is necessary to approve these bylaws amendments. *See* Bylaws, Art. XVI, § 2. After approval, amendments go into effect after the expiration of the protest period, *see* Article XVI, section 7, unless otherwise specified in the amendments. *See* Bylaws, Art. XVI, § 6.

At this point, the proposed amendments must be either approved or disapproved. Because of the special nature of bylaws, no changes in the actual language of the bylaws

may be made after the League Board's review at the July meeting. *See* Article XVI, §§ 4 and 5(b) (board recommendations must accompany materials presented to membership on the bylaws).

Changes Proposed

Membership Termination. Article III, section 2 is proposed to be amended to conform with state law requirements for notice and an opportunity to be heard before one's membership is terminated.

Special Meeting Issues. The changes to Article V, section 4 propose allowing faxed notice of special membership meetings and publicizing the meeting in *an* official publication of the League (as opposed to "the" official publication). The proposed changes to the headings in Article VI, sections 4 and 5 also clarify that the resolutions procedures described in those sections apply only to resolutions considered at the Annual Conference.

The proposed revised bylaws also have new procedures for special meetings—a topic on which the bylaws presently provide little guidance. The goal is to strike a balance between notice and nimbleness:

- **Meeting Called by Membership.** Any request for a special meeting must specify general nature of the business to be transacted and the text of any proposed resolution(s). The number of cities required to request a meeting is proposed to be changed to comply with state law. The requirement is the 5 percent of the membership may request a special meeting (24 cities instead of 40 as the bylaws presently require). *See* Proposed Amendments, art. V, § 2.
- **Notice to Members.** The notice must describe nature of meeting and, if the meeting is requested by cities, text of proposed resolution(s). *See* Proposed Amendments, art. V, § 4(b).
- **Germane-ness.** All resolutions must be germane to the meeting purpose specified in the special meeting notice. *See* Proposed Amendments, art. VI, § 6(a).
- **Opportunity for Member Review.** All resolutions to be proposed during the General Assembly (by anyone) must be available for membership review by electronic (for example, by posting on the League's website) or other means at least 24 hours prior to the beginning of the special meeting. *See* Proposed Amendments, art. VI, § 6(b).
- **Parliamentarian Review.** The Parliamentarian reviews proposed resolutions for form and substance and reports to General Assembly. *See* Proposed Amendments, art. VI, § 6(c).

Nominating Committee Process. A proposed amendment to Article VII, section 5(a) moves up creation of the nominating committee to the first board meeting of the year. A proposed amendment to Article VII, section 5(b) adds a department representative to the nominating committee and specifies that two nominating committee members will be at-large directors. The proposed amendments also specify that the nominating committee shall be comprised of League Board members. *See Proposed Amendments, art. VII, § 5(b)* (“The nominating committee shall be comprised of nine-eleven Board members.”). Another proposed amendment to Article VII, section 5(e) specifies that candidates for officers and at-large positions may not serve on nominating committee.

Board Composition. Article VII, section 2(f) gives the eight largest cities in California seats on the League Board. The change to Article VII, section 6(d) proposed by the bylaws committee would address vacancies in the large city seats created by the large city’s representative becoming an officer or a member of the League Board by virtue of serving on the National League of Cities Board of Directors. The proposed amendments treat large cities the same as any other entity with a representative on the League Board by giving them the option of appointing a new representative for the League Board.

Division and Department Officers.

- **Officer Identity.** Article IX, section 7(a) and Article X, section 2(a) are proposed to be amended to be consistent as to the identity of division and department officers.
- **Officer Terms.** Article IX, section 7(c) and Article X, section 2(c) are proposed to be amended to be consistent as to the terms of division and department officers.
- **Vacancy Procedures.** Article IX, section 7(d) and Article X, section 2(d) are proposed to be amended to be consistent as to the procedures when there is a vacancy in a division and department officer position and to clarify that the individual filling the vacancy fills out the term of his or her predecessor.

Quorum. The language in article XI, section 1(b) has been amended to specify how a quorum is calculated at General Assembly meetings. State law suggests that organizations like the League have a quorum of a third of the membership, but allows an organization to set a different quorum in its bylaws. *See Cal. Corp. Code § 7512.*

Litigation Authority. Section 8 is proposed to be added to Article XV to expressly authorize the League to initiate or respond to litigation on cities’ collective behalf when the League Board determines such litigation is necessary to protect cities’ shared vital interests.

Resolution Referred to Community Services Policy Committee

2. RESOLUTION RELATING TO ENCOURAGING HEALTHIER LIFESTYLES FOR CHILDREN, ADULTS, AND SENIORS IN CITIES THROUGHOUT CALIFORNIA.

Source: Community Services Policy Committee

Referred to: Community Services Policy Committee

Recommendation to General Resolutions Committee:

WHEREAS, obesity affects more than one-quarter of all adults and one in five children in the United States; and

WHEREAS, it is estimated that the United States spends billions of dollars on health care, yet the rates for obesity continue to grow; and

WHEREAS, besides diet, some of the major contributors to obesity include a decrease in physical activity caused, in part, by fewer parks and sidewalks in our cities, perceptions and reality of unsafe streets, a lack of public transportation, and communities designed to require more driving which discourages walking; and

WHEREAS, exercise activities of all types are needed to maintain and improve our health and to prevent diseases such as heart disease, Type 2 diabetes, asthma, and low bone density; and

WHEREAS, the welfare of our cities depends on the health and happiness of our residents; and

WHEREAS, cities are encouraged to promote policies that engage their citizens in more activities that are healthy, and to consider community design that makes more parks available for citizens and encourages walking as opposed to relying only on cars; and

WHEREAS, schools also are encouraged to play a role by eliminating the sale of low-nutrient foods and beverages on school campuses, increasing the availability of healthy foods and beverages, and promoting physical activity on school property; and

WHEREAS, one example of a free program that cities can utilize is "50 Plus Fitness" program, where a city can appoint a recreation staff member, or a volunteer, to conduct a program to help those citizens who are over the age of 50; and

WHEREAS, the Cities, Counties & Schools (CCS) Partnership, of which the League is a member, is encouraging local government to adopt and promote policies and programs that address the issue of obesity; and

WHEREAS, city officials and staff have demonstrated their support for healthier lifestyles in their communities by participating in a morning Run/Walk during the League of California Cities Annual Conference on September 19, 2004; now, therefore, be it

RESOLVED, by the General Assembly of the League of California Cities assembled in Annual Conference in Long Beach, September 19, 2004, that the League encourage cities to embrace policies that facilitate activities that promote healthier lifestyles, including healthy diet and nutrition, and adopt city design and planning principles that enable citizens to undertake exercise with the goal of achieving a more active and healthy community.

TITLE: RESOLUTION RELATING TO ENCOURAGING HEALTHIER LIFESTYLES FOR CHILDREN, ADULTS, AND SENIORS IN CITIES THROUGHOUT CALIFORNIA.

Background:

This resolution is the result of the Community Services Policy Committee Work Plan for 2004. Throughout the year, the policy committee has focused on, and discussed, the issue of health in the senior community and more recently focused on the health of our youth.

After reviewing presentations on programs such as the Fifty-Plus program and Child Obesity by City, County & School (CCS) Partnership, the committee felt compelled to take action. The committee has sponsored a resolution to have cities strive for healthier lifestyles in their communities. The resolution encourages healthier lifestyles for children, adults and seniors in cities throughout California.
